All products are pick-and-mix: choose however many designs you want! I can suggest a selection of bestsellers but every shop is different- you know best which designs would work in your shop!

You will find all available products and designs on Etsy, there are far too many to list here and they are constantly updated and added to!

You can use the form below to place an order, then send it to [mountainmandraws@gmail.com](mailto:mountainmandraws@gmail.com)

## OTHER PRODUCTS

Please get in touch if you are interested in stocking any other products listed on my website/Etsy (for example: larger prints {12x12" and A3}; postcards) and I'll be happy to discuss further and negotiate a wholesale price per unit.

The cards in this package will vary based on the time of year (eg: predominantly Christmas cards around October onwards). The print designs will include some bestsellers including the Dinosaur Alphabet, Koi Carp, Guinea Pigs of the World, and City/County prints (based on your shop location {if I don't have your city on offer yet, I will be sure to get this done by time of purchase!}).

To select this introductory package please use the form below to specify which designs you would like (this should add up to 50 cards and 40 prints), and let me know in your message that you would like to purchase the package deal.

If you would like to select your own range of products (not within the introductory package), use the form below to specify your selection and I will respond with a calculated cost.
